You changed my mourning into dancing;  
O LORD, my God, forever will I give you thanks.

My dear friends in Christ,

I hope that your summer is going well! As for me, I am very excited with the prospect that I am going to be part of a very meaningful year for us.

This year is our 40th year as a faith community! The Festival Committee, headed by Mr. Jerry Williams with Sonny Mamaril and Jun Castro as the Co-Chairs, has been putting together a memorable Parish Festival celebration to honor St. Anne, our Patroness. This year, being our anniversary year, will have a greater impact in our celebration. Our theme this year is:

**THROUGH THE YEARS  
40 YEARS OF CELEBRATING THE BEAUTY OF OUR FAITH  
AND GOD'S LOVE!**

I hope that you are excited about being part of it. One of the things that I really want you to seriously consider participating is the 40th Anniversary Pictorial Family Directory. This Family Directory is a historical one! Each one of us will have a chance to be part of this great undertaking. During the month of July and August, you will be invited to have a picture taken with your family. We are working with LifeTouch, the same company that did our Family Directory in 2004. There will be sign up sheets and online registration for the picture taking. As your Pastor, one of the many things that will make me happy is when I see you get excited and be able to participate in the many activities of our 40th Year Anniversary celebrations.

As I said last Sunday, I am hoping that our new shepherd, Bishop Michael Barber, will be able to grace us with his presence and preside in one of our Sunday Masses. Right now, I am in the process of making arrangement with the Bishop's Office. I am looking for an earlier date, hopefully the first weeks of July!

Your participation and your commitment is very critical! I cannot emphasize enough the importance and the magnitude of your commitment. We need to be reminded of this historical reality and great joy that all of us will experience. This can only happen when we take this to heart. I know we can do it because we have done it before! As a community of faith, we have participated in many life-giving and transforming acts of mercy and compassion! There is no question that when it comes to our community and what it means for us, we tend to excel far beyond our potentials. Miracle happens! Good things happen! But this year, I know that good things will not only happen but great things! We are a people who will not settle for less but the best.

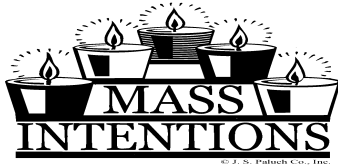

Last Sunday beautiful things happened! First, I announced that many designs were submitted for our 40th Anniversary T-Shirt Design Contest. The winner is announced this weekend. I have put together a panel to select the winning design. We are so blessed as a community to know that we have great artists around. Second, our medical team was finally introduced to the community in all the Masses! They were received with great appreciation, joy and gratitude! They are called the St. Anne Medical Action Response Team (S.M.A.R.T.). I heard from our Chair/ Coordinator, Mel Von Giese and from our S.M.A.R.T. people that about 60 people signed up to be part of S.M.A.R.T. as volunteers. An overwhelming response! Miracle really happened here last Sunday!

I believe that greater things are in the horizon for us. Psalm 30 reminds us that we need "to sing praise to the Lord and give thanks to his holy name!" In the gospel today, we hear the powerful story of a man who was raised by Jesus from the dead. Again God's mercy is upon us in the person of Jesus. It is in the act of mercy that we can really encounter the compassion and love of our God. There is no question that we have been guided by this spirit. The gospel tells us that "God has visited his people!"

Our journey has begun to seek greater things for our community. With great participation from each of one of us, this I hope and pray, we will find ourselves worthy of the grace from our God! This can only happen when we go beyond our insecurities and fears. Christopher Columbus once said, "You can never cross the ocean unless you have the courage to lose sight of the shore!"

May the grace and peace of our God today and always fill our heart and soul as we journey together to the horizon of beauty and great joy celebrating our 40 years as a faith community! We must do everything to make it happen. Hellen Keller said this: "I am only one, but still I am one. I cannot do everything, but still I can do something. And because I cannot do everything I will not refuse to do something that I can do."

In God's love,  
Fr. Geoffrey
