Campaign Newsletter

November 15 & 16, Volume 1

Our Leadership Team, Father Geoffrey, and Bishop Michael Barber would like to thank all the individuals and families who have participated in Reclaiming Christ's Mission Together capital campaign and have made it a great success. **We have received \$338, 860.00 in pledges from 112 parish families and individuals** and we would like to acknowledge and recognize those who have joined us early with their early and sacrificial support. **Currently we have met almost 45% of our total campaign goal, from only a little over 2% of our total parishioners** . Please keep in mind that our parish will receive 25% of all monies collected which will be used to augment St. Anne's operating deficit and to finance ongoing repairs and maintenance to the parish facilities and parking lot. Our goal is that every parishioner participates and joins us by making a pledge. Our campaign is based on every family making **an equal sacrifice, not an equal gift**. Please respond generously to this historic campaign. It is only through prayer and sacrifice that we can make this campaign a success.

"Thank you for being a cheerful giver." (St. Paul)

TREASURES FROM OUR TRADITION

All Christians in both East and West embraced the care of the sick as essential to church life. In the West, the importance of the visit of the priest is stressed, while in the East, the sick person is brought to the church for a full Liturgy of the Word. Some, such as the Armenians, even call it the "Ritual of the Lamp," since the oil is poured out of the lamp by which the Word is read. This may be why Eastern Christians sometimes anoint the sick with this oil, since the trip to church might kill them.

Our tradition in the West also unfolded in monasteries, where it was possible for infirm monks to be attended with a full and beautifully consoling liturgy. In 950 the monks of St. Alban's Abbey in Mainz produced a ceremonial book that was instantly a pastoral hit everywhere. There were two lengthy rituals for the sick, one an extended vigil, and the other a liturgy of anointing that included Communion under both species. While this ritual was a house formula for monks, it is easy to see how monks who had the care of parishes desired to serve their parishioners in a similar way. The first form included the chanting of penitential psalms, and the second form required a confession beforehand. Both forms included a laying on of hands, which everyone understood as being an essential part of penance.
